Day 2: Coffs Harbour—Gold Coast, Australian Outback Spectacular (BLD)

We will depart this morning and head to **Tropical Fruit World**, just south of the QLD border, where we will have a guided tour and a discovery walk before delicious lunch. We will then make our way to our 4 star accommodation in the heart of the Gold Coast. Tonight we will make our way to see the brand new **Australian Outback Spectacular**. This \$23 million show extravaganza captures the grandeur of the Australian Outback. Set in a giant 1,000 seat arena, the show will have a cast of larger than life characters, amazing animals and spectacular scenes

featuring wild horses, stampeding cattle, bush vehicles and superb horsemanship. A highlight of the show is built around the competitive spirit of Australians. The audience is split into two groups after receiving free stockmen's hats whose head-bands depict their respective station. It's great fun as we barrack and cheer for our stockmen and women to bring home the ultimate prize of "top station". This "station muster" is an exciting and breath-taking part of the show which highlights the incredible skills of both horse and rider. After the show, which includes dinner, we return to our motel.
